Hi All,

Please respond if you can make the new time of 1:30 on May 3, 2019. If we can't get our schedules to line up, my suggestion would be to have the meeting on May13 or 14 (Monday or Tuesday). Let's make the decision by around 2 PM today.

In the meantime, Mr. Solis, it might be useful to provide your attorney's contact information to Michael Lebow so they can begin dialogue on site access issues.

Thank you,
